Channel Manager — Setup

Hotel code, service status and start / stop controls for the channel-manager connection

The screenshot displays the MyGenie PMS interface for the Channel Manager Setup page. The sidebar on the left contains a navigation menu with the following items: Dashboard, Day Closure, Expenses, Menu Management, Credit Management, Daily Report, Settings, Inventory, Insights, Aggregator, Rooms & Reservations, Channel Manager (highlighted), In-House Guests, New Booking, Check-In, and Front Desk. Below the menu are a 'Ringer On' status indicator, a 'Refresh' button, and a user profile for Ravi (Owner) with the MyGenie Hotel ID #644, along with a 'Logout' button. The top header features the 'Channel Manager' title and four tabs: OTA / Sync, Channel Manager Setup (active), Room Mapping, and Rates & Restrictions. A 'Sync All Now' button is located in the top right corner. The main content area shows a 'Channel Manager Connected' status with a green checkmark, the hotel code MGH644, and the PMS mygenie-hotel. Below this, there are two buttons: 'Stop Service' (with a red stop icon) and 'Refresh' (with a circular arrow icon).
